

## PROVEN TIPS & TECHNIQUES FOR FIRST TIME GARDENERS

Wednesday  
April 12, 2023  
5pm - 6:30pm

### About Our Presenter:

Believing gardening should be fun and satisfying, Peggy Campbell shares how to take the work out of gardening. She covers tips learned in transforming her time-intensive, weed-filled yard into an easy-care landscape with seasonal color throughout the year! An ecoPRO Certified Sustainable Landscape Professional, Peggy's gardening roots include a Bachelor in Horticulture from Washington State University.

### About The Class

Get started with simple and fun tips for a beautiful, sustainable and low-maintenance garden. Instructor Peggy Campbell shares techniques that are easy on you and the environment, including how to keep weeds out, pests at bay, water use low, and plans to enjoy color year-round. Learn how to have a resilient garden during dry summers and wet winters.
